

# End-of-Year Library Information for Families 2021

Dear TFS Families,

We are approaching the end of another great school year! I have really enjoyed spending time with your children this year, in library and over Zoom. It has been so rewarding to see their excitement and enthusiasm for reading and learning.

As we bring the year to a close, we need help from families to ensure **ALL** materials are returned to the library

Below is a list of materials that need to be return and the dates they should be returned by.

If you have any questions please contact me by email [sarah.croteau@sau26.org](mailto:sarah.croteau@sau26.org) or call the library 889-1577. If you know your child has lost an item please let us know so we can clear it from their record.
