

August 19, 2020

Hello, TFS Students, Families and Caregivers,

I am writing once more to say good-bye and express my deepest gratitude to the Thorntons Ferry School Community, as I move into a new job in the District as the System of Care and Learning Supports Coordinator. Fortunately, I will be staying closely connected to this community as part of my new role and will have plenty of opportunities to see you all as we transition into the new school year! While I won't be your School Counselor, I will enjoy maintaining connections with the students and families of TFS!

I am so pleased to introduce the new School Counselor, Doug Bonnema! We are so fortunate to be welcoming him to the TFS family, as he brings a depth and breadth of experience that will help our kids so much during these challenging times. We assure you that we will work hard to support the transition of your child. Should you need anything, please don't hesitate to contact either one of us: fern.seiden@sau26.org; doug.bonnema@sau26.org!

Fern Seiden, MSW

System of Care and Learning Supports Coordinator

Merrimack School District
