

## Merrimack School District Student Device Repair Coverage

The Merrimack School District has adopted a 1:1 Chromebook program from grades 5-12. Families are advised to obtain annual insurance to help cover the cost of potential incidental repairs. Students new to or returning to Merrimack School District may obtain coverage within one month of registration. The fee for the current school year is \$10\* per student, this fee is not prorated. You may register and pay for incidental repair coverage through your student's MySchoolBucks account, where you can pay via Echeck or credit card. If you do not already have an account, you will be prompted to create one. Here's the link:

By obtaining coverage, the cost of a first incident/repair will be 100% covered by the school district, a second incident/repair cost will be 50% covered by the school district. The cost for any subsequent incident(s)/repair(s) will be fully incurred by the device holder/family.

- A few examples of frequent repairs and their associated cost:
  - Repair/replace LCD screen, keyboard, battery, etc. approx. \$25-\$70
  - Repair/replace motherboard approx. \$140
  - Cost to replace damaged or lost device is determined by grade:

|                    |          |                             |
|--------------------|----------|-----------------------------|
| ■ 5th or 9th: 100% | \$279.00 | 24-25 New model             |
| ■ 6th or 10th: 75% | \$206.25 | prior years (was \$275 new) |
| ■ 7th or 11th: 50% | \$137.50 | prior years                 |
| ■ 8th or 12th: 25% | \$68.75  | prior years                 |
  
- The district is not responsible for any lost or stolen devices or chargers.

\* An uninsured device will incur full repair/replacement cost at the device holder/family expense. Cases of hardship should be directed to your building principal.
