

Dear Merrimack Families~

Due to the impending storm, the Merrimack School District will operate a Remote Learning Day tomorrow, February 2, 2021. Due to COVID-19 impacts on instructional continuity we will leverage our capabilities to maintain instruction tomorrow despite the storm.

Specifically, this means that:

Students in Cohorts A and C will have a Remote Learning Day on Tuesday, February 2, 2021

Students in Cohorts B and D will have an Independent Practice Day on Tuesday, February 2, 2021

In the event that any student/family experiences technical challenges due to storm impacts resulting in an inability to partially or fully attend school tomorrow remotely, please rest assured that your child's teacher will do his/her best to accommodate missed assignments. In such instances, if possible, please call your school's absence line, where applicable, or call your child's school directly to notify them of service interruption as soon as you are able to do so in order for a resulting absence to be recorded accurately. As always, if you have any questions please call your child's school for more information.

Thank you.

Mark McLaughlin
