

Dear Merrimack Families and District Staff~

Just a few minutes ago the Merrimack High School Tomahawks became Granite State Challenge State Champions!!! Throughout this season we have watched this outstanding team as they met challenger after challenger and with each victory they showed us all how truly great Merrimack students are. Not only are these students incredibly talented, throughout this season they also demonstrated exemplary sportsmanship and tremendous grace under pressure.

Tonight's game championship match was thrilling. We offer congratulations to the Plymouth Bobcats for their great season and for giving us all they had!

To Coach Campbell, Assistant Coach Mandra, and the entire Tomahawks Team, Scott Peyton, Alex Jobin, Troy Church, Andrew Peyton, Nick Gacharna and Aidan Remick, we say thank you very much for providing so much fun during a tough time. We have always known the excellence that exists among the students of our school district and we are so proud tonight to share that knowledge with the rest of the state.

Congratulations!!!

Mark McLaughlin
Superintendent
