

Merrimack School District Student Device Repair Coverage/Invoice Payment

The window to purchase annual device insurance for the 23-24 school year has closed.

Without coverage, the cost of incident(s)/repair(s) are the responsibility of the device holder/family.

- Some examples of frequent repairs and their associated costs are listed here:
 - Repair/replace LCD screen, Bezel, Hinges, Back/Bottom Cover; approx. \$25-\$40
 - Repair/replace Battery, Keyboard, Trackpad, Top Deck; approx. \$45-\$70
 - Repair/replace Motherboard approx. \$150
 - Repair/damage requiring full replacement \$275

- The district is not responsible for any lost or stolen devices or chargers.

Invoices are sent through MySchoolBucks. Invoices in excess of \$100 allow for partial payments. MySchoolBucks accepts major credit cards or E-Checks. To pay for an invoice via cash or check, please use the following form and return to your student's school.
