

James Mastricola Upper Elementary School

STUDENT DROP-OFF PROCEDURES

- Morning drop-off begins at **8:10 a.m.** Parents/guardians are asked not to arrive before this time. There are no staff members on duty prior to 8:10 a.m.
- **The first SIX cars to arrive are asked to turn left onto School St. and line up along the school building all the way up to Bishop Street.** These cars will be the first to unload when school staff arrive on duty. The remaining cars will wait in line beginning at the crosswalk
- To keep the line moving, under the direction of school staff, cars will unload approximately 8 cars at a time. We strongly suggest that all students unload from the passenger's side of the vehicle.
