

**SUMMER REGISTRATIONS**  
**Merrimack School District**  
**June 2025**

Student Registrations for the 2025-2026 school year will begin on August 1, 2025. If you are interested in registering your children, please email Patty Townsend, our District Registrar, at [district.registrar@sau26.org](mailto:district.registrar@sau26.org) and include the following information:

- Your name, address, phone number and email address
- Your child's name, birth date and the grade they will be entering

The Registrar's Office is closed during the month of July, so Patty will contact you at the beginning of August.

Please go to your school or district website to print the forms necessary for registration. On the left side of the home page, click on the red apple icon "New Student Registration Information" and then click on the second link for the direct link for NEW student registrations (this includes students who have left the district and are re-enrolling in the Merrimack School District.) This link contains three forms for you to print and fill out. You are welcome to scan the forms and supporting documents to Patty at [district.registrar@sau26.org](mailto:district.registrar@sau26.org) and she will call you at the beginning of August to complete the registration.

The Registrar's office is located at 2 Brentwood Drive, which is on the corner of Brentwood Drive and McElwain Street just across the street from Merrimack High School. It is a little gray house that sits just at the edge of the MHS parking lot. Patty Townsend will be available from 8:00 am – 4:00 pm to process new student registrations during the month of August. It is important to call 603-714-7185 first to make an appointment.

Thanks so much! Have a wonderful fun-filled summer!
