

WELCOME TO 4TH GRADE

TO OUR INCOMING FOURTH GRADERS
AND THEIR GROWN-UPS AT HOME:

We are so excited to welcome you to 4th grade! It will be a year full of fun, new learning, and excitement! To prepare us for the upcoming year, your teacher has created a supply wish list through Amazon. If you and your grown-up would like to contribute to our class supplies, please scan the QR code at the bottom of this letter. We truly appreciate any contributions you send our way! Supplies will be delivered directly to your child's classroom teacher. This is instead of individual supply lists for students.

When you see the items listed below on the list, I am requesting 2 of each:

- Lysol wipes
- Paper towels
- Expo Markers
- Glue sticks
- Pencils

Thank you so much!

Warmly,

Mrs. Champigny
