

Accessing the i-Ready My Path Activities at Home

- 1) Students can visit any of the school websites to access their Class Link Dashboard. Here's a direct link to the district website:

<https://www.sau26.org/>

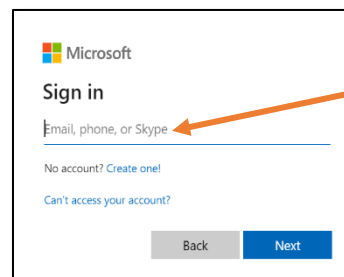

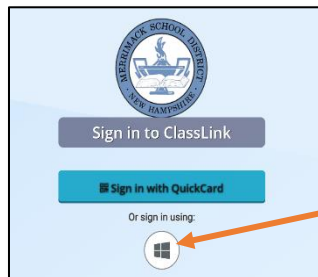

You can also navigate to any of the specific school sites by clicking on the "**Select a School**" drop-down menu at the top of the page

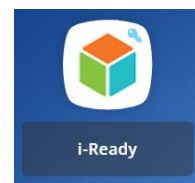

- 2) On the right side of all school sites, you'll see a column of colorful icons. Click on the icon that looks like a backpack! That's the **Class Link** icon.

- 3) To sign into **Class Link**, first click on the "**Windows**" symbol. Then the student will need to enter their school email address and network password. *(The classroom teacher can help if you're not sure of this information)*

- 4) On the Class Link Dashboard, click on the **i-Ready** app.

- 5) Students are prompted to choose a subject and then can begin their **My Path** activities!
