I am so excited to work with you this year. I know once your summer vacation is over, you will be excited to start the new school year. To give you a head start, here are some of the supplies we will be using in first grade.

Thank you in advance for your help in supplying these materials!

- 12 Glue Sticks (2 per month)
- 5" x 8" pencil box

Here are some optional items we can always use in the classroom:
