

I am happy to welcome you to **2nd Grade** class next fall. Some of the topics we will learn about are plant and animal relationships, force and motion, the continents, and earth, moon, and sun. We will build on reading, writing, spelling, and math skills, including more complex texts and 2-digit addition and subtraction.

I will provide many items that you will use in the classroom. There are a few things that you will need to bring.

Please bring:

- Plastic pencil box (approximately 5"x 8")*
- 2 large glue sticks*
- 1 dozen crayons (Twistable) **or** colored pencils*
- 1 dozen **sharpened** pencils*
- 4 thin dry erase markers *
- Large box of tissues
- Hand wipes (refill pack of baby wipes, wet wipes, etc.)
- Boys: bottle of hand sanitizer Girls: desk wipes (Clorox, Lyson, etc.)

***label with child's name**

I hope you participate in the public library reading program this summer. Return your reading calendar to RFS in September for rewards. Try to practice as often as possible.

I check my email throughout the summer. Send me an email so I can add your name to my class email list. I'd love to hear about your summer.

donna.johnson@sau26.org

Sincerely,

Mrs. Johnson

See you on Tuesday, September 3rd in room 16!
