And enjoy winter fun at Crotched Mountain!**

Dear Skiers, Snowboarders, and Parents/Guardians,

It is that time of year again when we start thinking about another fun season on the slopes. For many families, it is also the time of year for purchasing season passes to local mountains. The Merrimack Middle School Ski and Snowboard Club gladly continues over 14 years of collaboration with Crotched Mountain in Bennington, NH. For the 2020 season our club will continue to offer MMS families 2 great benefits:

1. Those who purchase passes, lessons, and rental packages through our club will enjoy discounted prices not available to the public at this time.
2. For those who want to participate in the club we will transport MMS students to and from Crotched Mountain on a coach bus for the following Thursdays this winter: January 9, 16, 23, 30, February 6; with a make-up date of February 13. The bus will leave the MMS parking lot by 2:30 p.m. and return to MMS by 8:00 p.m.

If you are only interested in purchasing discounted passes through our club please go to www.crotchedmtn.com/voyager-program/

If you are interested in purchasing a package and would like us to transport your child to and from the mountain, please attend the registration meeting. This meeting is essential even for returning club members. Priority is given to those who attend and we will only be able to take 52 students on the bus. At the meeting we will review the required paperwork and provide instructions for purchasing your packages online. There is a \$104.00 transportation fee in addition to the cost of passes, lessons, and rental fees, so we ask that you please bring a personal check to the registration meeting. There will be a representative from Crotched Mountain on hand to answer your questions. We look forward to seeing you!

Sincerely,
Jill Smith
