Other:

- Please do not bring valuables as they may be unattended for periods of time.
- Students may bring a snack to eat after rehearsal at MMS or on the bus.
- At all times, students will be expected to follow instructions and behave appropriately.
- This festival is a great experience for our students. They have been working hard and are challenging themselves with the music. This event gives them a chance to get feedback and suggestions from other professional music educators. Also, students have the opportunity to hear a different middle school band, enhancing their musical experience even more!
- The Concert Band will be playing for a rating and is required to sight read.
- This is a required school event for all band members. Students will receive a grade for their participation.
- After the event, students may be dismissed to leave with parents – Mrs. Levine must have a notice in advance (PRIOR to boarding the bus in the morning). When the sight reading, performance, and clinic have all been completed, students will pack up. Then, parents/students may see me and students will be released to his/her parent. Please be sure I have your note before getting on the bus Saturday morning. Your attention to this and your patience with the dismissal process is greatly appreciated.
- For students riding the bus back to MMS, please have a ride home **pre-arranged and waiting** at MMS at the designated time (see above).
- Parents, please feel free to come listen to the performance! You will be proud of your children!

- **This is a state-run festival and not a concert.** All performances are free and open to the public but **performance hall doors will be locked during each performance. No one will be allowed to enter or leave the auditorium until after a full performance is completed.** PARENTS SHOULD ARRIVE **EARLY** and be quiet while waiting to enter the performance hall. These are festival rules. Please plan accordingly.

- **FYI – Cavalcade of Bands Concert – Thursday, March 28th (note date change!) at MHS; arrival time 5:45 pm. Required event, appropriate Concert Dress required (snow date 4/2/19)**
