

WELCOME CLASS OF 2038!

MERRIMACK KINDERGARTEN REGISTRATION

Mastricola ~ Reeds Ferry ~ Thorntons Ferry

If you were unable to register at the Registration Night in January, please call our District Registrar, Patty Townsend, at 603-714-7185 to arrange a quick time to stop by to drop off the necessary documents. She will be glad to help you! Please call as soon as possible so we can plan accordingly.

Students must be five years old before 9/30/2025 to be eligible for Kindergarten. If you have an incoming first grader who has not attended our school for kindergarten, you are invited as well.

Please go to our district website (www.sau26.org) for the forms and list of all supporting documents you should bring with you.
