

Remote Learning Materials Pick UP: March 16

Good Afternoon,

Our MES team has been busy over the last few days preparing work the students' first few days home. We are asking parents to review the attached letter for specifics about the pick up process.

Over the next weeks, our staff will be working to provide your students with a variety of learning through different modalities. This will involve both pencil and paper tasks, as well as digital. Please do not hesitate to reach out to your child's teacher or me with any questions.

I thank you for all of the support we have received over the last days, I am truly grateful. Keep those stories and pictures coming!

Be well,

Michelle Romein

Principal
