Dear Merrimack Community,

We need your help! There continues to be a severe regional shortage of substitute teachers for all grade levels. It is important that we have coverage for as many classes as possible throughout the week when a teacher is absent.

You can help us solve this problem. Please consider pledging 10 days this school year to being a substitute teacher in Merrimack. The compensation rate is \$125 per day and you will be working with our outstanding staff and students.

If you are interested in applying to be a substitute teacher scan the QR Code below.

For questions about being a substitute in the Merrimack School District, please call 603-424-6200 (menu option #1), to speak with Human Resources.

Sincerely,
