

CHROMEBOOK SUMMER CARE

**YES, YOU GET TO KEEP YOUR
CHROMEBOOK ALL SUMMER!**

When the school year ends, you might wonder what to do with your Chromebook. Here are some best practices to help ensure your device works for the next school year.

STORAGE TIPS

- Store your chromebook in a cool, dry area. Be sure to avoid direct sunlight (keep in case when not using)
- Keep track and take care of cords and cables
- Keep food and drink away from the chromebook and charger

CLEANING

1. Completely power down
2. Disconnect any cables or cords
3. Use a disinfectant wipe specifically designed for LCD screens OR use a rubbing alcohol solution. Carefully wipe down the entire chromebook
4. After everything is dry you can use a dry microfiber cloth to buff the screen to remove any haze that might be lingering.

FAQ

How do I get technical support over the summer?

Send an email to support@sau26.org and explain your issue.

Will I continue to have access to my online tools from the 2021-2022 school year?

Yes! Your Intranet Home Page will get you to where you want to go.

When do I need to bring my Chromebook back to school?

The first day of school! Be sure to remember the case and cord too!

Even though I'm not at school do I still need to comply with the MSD student use of tech policy?

Yes. As a student of Merrimack School District, it is your responsibility to comply with all district guidelines and policies.
