

June 2021

Dear Merrimack High Parents:

We at Mark Lawrence are pleased to have been selected as the official photographers for the Merrimack High Class of 2022 yearbook. We will be working throughout the school year capturing the memories that your student will cherish for years to come.

Probably the most anticipated yearbook section is the senior section which features an individual portrait of each members of the Class of 2022. We will be doing these portraits at our Nashua studio during the summer months of June, July and August.

The basic sitting fee at Mark Lawrence, which includes a retouched photograph for the yearbook, is \$30. We also offer other sessions for additional cost - which include more time in the studio, extra poses, outfit changes, different backgrounds as well as outdoor poses. The outdoor poses are very popular with the seniors. All sessions confirmed by June 30th and in which the senior is photographed prior to August 15th will receive a discount on the session fee.
