

NEWS RELEASE

MERRIMACK SCHOOL DISTRICT KINDERGARTEN AND FIRST GRADE REGISTRATION

Interim Chief Education Officer, Everett V. Olsen, Jr., has announced registration information for all Merrimack children entering public kindergarten and first grade in the 2022-2023 school year.

The registration process will begin with parents completing a New Student Information Entry Form, which can be found on the District's website (www.sau26.org). Parents will return the form, along with specified documents, to their neighborhood school beginning Tuesday, February 1 between the hours of 9:00 a.m. and 2:00 p.m. At that time, additional information will be provided regarding the Merrimack School District's online registration procedures.

In order to be eligible for kindergarten registration, your child needs to be five (5) years old by September 30, 2022. Incoming first graders need to be six (6) years old by September 30, 2022.

If your child currently attends kindergarten in the Merrimack School District, you do not need to register for first grade.
