

Dear Parents/Guardians:

Happy new year Merrimack School District families. As a district, we are committed to supporting our students and families in remote/hybrid learning. To help with the home/school connection, we will be participating in a program called “**Parents as Instructional Partners.**” This program will be delivered by a highly regarded education consulting company, Demonstrated Success, and will include monthly webinars, coaches’ office hours to answer follow-up questions from these webinars, grade-level resources and an online conference on social/emotional learning.

The first webinar of the year will take place Wednesday, January 6 from 1-2pm. Tune in for tips to help your child stay organized and manage his/her time. Here are details:
