

IKFA - EARLY GRADUATION

(Download policy)

Category: Priority/Required by Law

The Board supports early graduation as a means to earn a high school diploma. Parental involvement for students under the age of 18 is required. The high school principal shall approve such requests if he/she determines that all state and local graduation requirements will be met and that early graduation is related to career and/or educational plans of the student making the request. Upon approval by the high school principal, the minimum 4-unit requirement per year for enrolled students shall be waived and the student shall be awarded a high school diploma.
