**Maintenance**

**Budget Proposal**

**2019-2020**

Funds requested in the budget proposal reflect costs associated with the maintenance of schools, buildings and grounds in the school district.

**The significant items in the 2019-2020 budget are:**

- **Replacement of a 21,155 square foot section of roof at the Mastricola Complex**
- **Replacement of two (2) boilers at Mastricola Elementary School**
- **Replacement of a transformer at Merrimack High School**
- **Replacement of a switchgear at Mastricola Upper Elementary School**

It is also important to note that the proposed utility costs were based on the most accurate information at the time of budget preparation.

Respectfully submitted,

  
Thomas Touseau  
Director of Building and Grounds  
Merrimack School District
