

## **James Mastricola Upper Elementary School Budget Overview 2020-2021**

The primary focus for the development of the 2020-2021 budget is to provide adequate supplies, equipment and materials to implement the James Mastricola Upper Elementary School programs.

Factors significant in this year's budget include:

- The purchase of texts and instructional resources at a variety of reading levels to support literacy instruction in grades five and six. This also includes resources and materials to reinforce writing across the curriculum.
- The replacement of tables for the cafeteria. This will be the fifth phase of twelve for purchasing replacement tables.
- The replacement of science room stools for chairs. This will be the fourth phase of six for purchasing replacement chairs.
- The replacement of tables for the computer labs. This will be the first phase of three for purchasing replacement tables.

Respectfully submitted,

Marsha McGill, Principal
