Credit Recovery Course

Credit recovery courses allow students to make up one semester of missed credit. This enables them to advance to the next course during the school year.

Expenses

Summer courses cost \$150.00 per course. Please make checks payable to the Merrimack School District.

In Person and Remote Learning

This summer, all courses will be held both in-person and remotely. Once enrolled, students will be contacted by their teachers to set up an introductory lesson and explain course procedures. Students will be required to check in with their teacher every school day, which will be Mondays-Thursdays June 29th-August 6th.
