

# Flat Donation Fundraiser

This year the Reeds Ferry PFA is again offering a new option for fundraising. This is a flat donation program with no products for your child (or you) to sell throughout the school year. We are requesting a \$20.00 donation but welcome any amount. Once you make your donation, you can cross fundraising commitments off your to-do list for the rest of the school year! All donations are tax deductible and receipts can be provided upon request.

---

If you would like to participate in the *'flat donation'* fundraiser, please return this form to the school at any time. Checks should be made payable to the *Reeds Ferry School PFA*.
